OPPOSITIONS OF SCIENCE SO CALLED

I Timothy 6:17 Charge them that are rich in this world, that they be not highminded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy;
I Timothy 6:18 That they do good, that they be rich in good works, ready to distribute, willing to communicate;
I Timothy 6:19 Laying up in store for themselves a good foundation against the time to come, that they may lay hold on eternal life.
I Timothy 6:20 O Timothy, keep that which is committed to thy trust, avoiding profane [and] vain babblings, and oppositions of science falsely so called:
I Timothy 6:21 Which some professing have erred concerning the faith. Grace [be] with thee. Amen.

OPPOSITIONS OF SCIENCE SO CALLED

Intro:

Recently I saw on the news how the media is saying that the storms down south are evidence of climate change. How sad it is that there is this constant cry with of the environmental radicals to preach believe the science whenever there is some natural disaster that they can attribute to global warming or climate change. I am so sick of that phrase.. BELIEVE THE SCIENCE..

Believe the science arguments..

I could not help but think of this verse..

I Timothy 6:20 O Timothy, keep that which is committed to thy trust, avoiding profane [and] vain babblings, and oppositions of science falsely so called:

These are the same people that reject the Bible and they use their slogan, believe the science, to reject God's word and call it fables and stories.. while they laud their ideas that cannot be proven as science and fact.

I want to talk to you this morning about how to deal with oppositions of Science so called..

I want to consider the following points..

- I. There are some things that Science Cannot Answer...***
- II. The Bible is not a book of Science it is a Historical Record...***
- III. Those who oppose the Bible based on Science are calling their religion science.. IT IS SO CALLED SCIENCE***
- IV. CONCLUSION OF THE WHOLE MATTER..***
We are in a battle of faiths.. which will you believe..

CONSIDER

I. There are some things that Science Cannot Answer...

1. Consider Websters Definition of Science:

- A knowledge about the natural world that is based on facts learned through experiments and observation.
- B An area of study that deals with the natural world ...

2. By this definition of Science true science, there are some things that science cannot answer

For instance science cannot answer the most basic questions of life:

Where man came from

Why we are here on this planet..

What happens to us when we die..

What Destiny Holds for the future of Mankind and this planet..

When we try to use science to answer these questions we enter the world of imagination, speculation, and fabrications..

It does not matter how smart you are ...

When a scientist tries to answer these questions of God and eternity Einstein said..

May I not reply the question with a parable? The human mind, no matter how highly trained, cannot grasp the universe. We are in the position of a little child, entering a huge library whose walls are covered to the ceiling with books in many different tongues. The child knows that someone must have written those books. It does not know who or how. It does not understand the languages in which they are written. The child notes a definite plan in the arrangement of the books, a mysterious order, which it does not comprehend, but only dimly suspects. That, it seems to me, is the attitude of the human mind, even the greatest and most cultured, toward God. We see a universe marvelously arranged, obeying certain laws, but we understand the laws only dimly. Our limited minds cannot grasp the mysterious force that sways the constellations.

An honest person of science will have to conclude that science cannot answer these things no matter how smart a person is, or how hard he tries. All he/she can forever be without faith is an agnostic. A person of science like Einstein can know there is order in this universe and there is something beyond us in the cosmos, however, those who make science their religion will forever be in limbo and in the dark corridors of Agnosticism. In other words they will never be able to find the answers because even when they come up with theories, and possible answers, the subject is too big to test or

prove by observation and science alone. These subjects are too big to observe in one's life. Einstein would not call himself an atheist, but he also would not call himself a believer. He was forever in LIMBO!!!

These matters of where we came from are not meant to be answered by Science..

These matters of why we are here.. cannot be answered by science or observation or experimentation..

The matter of what happens to us after we die cannot be answered by science.

These matters of what is in store for the human race cannot be predicted by science..

SO our text says those who oppose the Bible on the basis of science are using Science.. FALSLEY SO CALLED.. It is not true science.

A scientist like Thomas Edison experimented until he found a way to harness electricity and make a light bulb. When someone accused him of failing he said, "I Have Not Failed. I Have Just Found 10,000 Things That Do Not Work." When asked if he was an atheist.. Thomas Edison said no.. He believed in a God of design but was not part of an organized religion. In essence he knew it was beyond his ability to prove or disprove God and did not even go there. He knew he could not experiment and test 10,000 ways to discover God.

The greatest scientists, if honest, have to say, all my science cannot prove or disprove God. They have to enter a different realm to try the basic questions of where we came from why we are here and what is in store for us in the future..

These are things that science cannot answer.

Someone in arguing against the Bible said, that Bible you preach is not a book of science. The preacher quickly answered, You're right and I am glad it is not a book of science. They said why then you agree, that it is not a book of science .. The preacher replied I am glad it is not a book of science. They said why do you say that. He said, because the books of science have to be updated every year and are constantly changing. The Bible is not a book of science it is a book of history. It is the only book that gives an accurate history and witness of where we came from, why we are here, and what the future has in store for all mankind.

This past New Years Eve, we presented a musical entitled a Biblical Timeline of Man's Past-Present and Future. I just gave the video of that program to a young lady who bought a piano from me. She is a medical student who is doing her internship in Scranton. Her name is Rosa. She claims to be an agnostic. In other words she is admitting she does not have the answers to these important questions that only God can answer. I hope the literature and CD's and DVD will help her believe. I also share my Unshackled testimony.

The Bible is a history of where we came from. To be historical you need an eye witness. The only one that there in the beginning was God. So God gives mankind a eye witness account of where everything came from.

The Bible starts out..

Genesis 1:1 In the beginning God created the heaven and the earth.

Genesis 1:2 And the earth was without form, and void; and darkness [was] upon the face of the deep. And the Spirit of God moved upon the face of the waters.

GOD WAS THERE ... ONLY GOD.. AND HE ALONE CAN GIVE AN EYE WITNESS ACCOUNT..

Now He alone has the answers...

A person can say, well how can you prove that scientifically?

Well there is a crime somewhere and when the police investigate what happened what do they look for? They look for an eye witness. So they put out a plea for anyone who witnessed the crime to come forward. When a few people come forward do they ask them to prove $E=MC^2$ before they are allowed to testify. NO.. THEY SAY WERE YOU THERE? WHAT DID YOU SEE? DESCRIBE WHAT HAPPENED.

They are not looking for a scientist.. they are looking for an eye witness. Someone who was there.

Now no one was there when the world was created but God. If you reject his eye witness you are forever doomed to say .. I DON'T KNOW WHAT HAPPENED!!!!

Now you can guess and fabricate something that in your mind makes sense..

You can try to find some people that are highly intelligent and listen to their opinions because you admire their brilliance.. I mean after all they invented a light bulb so they must know..

After all they are mathematical geniuses.. their opinion must mean something..

After all they are the President of the United States who says lets believe the science.. they must know how to pick their nose in the dark..

We can listen to Ricky Levine, or Tony Fauci.. after all they are educated...

Look!!!! Science cannot answer certain questions that cannot be Observed, Tested and Proved through trial and error..

I Timothy 6:20 O Timothy, keep that which is committed to thy trust, avoiding profane [and] vain babblings, and oppositions of science falsely so called:

Those who try to use Science to prove or disprove the Bible are just spouting off VAIN BABBLINGS .. AND OPPOSITIONS OF SCIENCE FALSELY SO CALLED..

II. The Bible is not a book of Science it is a Historical Record And Witness...

The Bible is a historical record. It is not written to teach you how to make a microwave, design an airplane, make a light bulb, or do a host of other things. It gives an accurate account of where we came from, life's lessons from people who lived their lives for God and against the God who created this world we live in.

This history shows how those who lived for their creator the God of the Bible lived a good and profitable life, and those who rebelled against their creator ultimately failed and were set for destruction.

It is a historical record of how mankind rebelled against their creator and are still rebelling.

It is an accurate record of how God our creator is trying to restore a people back to himself and bless them.

It is a historical record of this conflict between those who rebel against God and those who by faith live for God.

It is a historical record of man's rebellion that leads to his destruction..

The Flood..

The Tower of Babel..

The calling out of a covenant people...

The blessings of faith and obedience to God their creator...

The cursing that falls on people who rebel against God their creator...

This is a book of eye witnesses of how in history God has worked..

Now there are those who reject the eyewitness because it does not harmonize with what they want to believe..

Imagine the police trying to solve a crime someone's house was ransacked and destroyed, people murdered. You can see the effect of this. Everyone knows it is bad. So now the authorities try to figure it out.

So they look at the evidence. Now all the detectives get together and try to figure it out. They scratch their heads and say, maybe a random hobo did it, another says, no maybe

it was a group of disgruntled teens, another says, no maybe it was a suicide.. The family all rose up against each other..

Then someone comes forward who just happened to be in the area and says, I saw the whole thing it was a man with a mask on, who was driving a pick up truck and the license number was thus and so.

Now do the police say, what do you know about police work... we reject your eye witness..

Do the police say, you are not a detective..
You are not qualified to be an eye witness..

NO NO NO .. They rejoice that there is an eye witness..

The Bible is an accurate record of eye witnesses.. who share how this world has been ransacked by sin and Satan.. our arch enemy..

Eye witnesses who share testimonies of faith and how God blessed men and women of faith..

Hebrews 11:1 Now faith is the substance of things hoped for, the evidence of things not seen.

Hebrews 11:2 For by it the elders obtained a good report.

Hebrews 11:3 Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.

Hebrews 11:4 By faith Abel offered unto God a more excellent sacrifice than Cain, by which he obtained witness that he was righteous, God testifying of his gifts: and by it he being dead yet speaketh.

Hebrews 11:5 By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God.

Hebrews 11:6 But without faith [it is] impossible to please [him]: for he that cometh to God must believe that he is, and [that] he is a rewarder of them that diligently seek him.

The Bible is the only way you can know God your creator..

The Bible is the only accurate record of God dealing with mankind..

The Bible explains why this world is a mess..

The Bible explains where we came from, why we are here, and what the future holds..

IT IS THE EYE WITNESS ACCOUNT..

God said to Moses

Exodus 24:12 And the LORD said unto Moses, Come up to me into the mount, and be there: and I will give thee tables of stone, and a law, and commandments which I have written; that thou mayest teach them.

God called Isaiah to be an eye witness..

Isaiah 6:8 Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here [am] I; send me.

Isaiah 30:8 Now go, write it before them in a table, and note it in a book, that it may be for the time to come for ever and ever:

God said to Jeremiah..

Jeremiah 30:2 Thus speaketh the LORD God of Israel, saying, Write thee all the words that I have spoken unto thee in a book.

Jeremiah 36:2 Take thee a roll of a book, and write therein all the words that I have spoken unto thee against Israel, and against Judah, and against all the nations, from the day I spake unto thee, from the days of Josiah, even unto this day.

Jehoiakim burned that Book but God had Baruch re-write it..

God said to John.. Write..

I John 1:1 That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have handled, of the Word of life;

John 21:24 This is the disciple which testifieth of these things, and wrote these things: and we know that his testimony is true.

John 21:25 And there are also many other things which Jesus did, the which, if they should be written every one, I suppose that even the world itself could not contain the books that should be written. Amen.

God told Luke to be a witness and write..

Luke 1:1 Forasmuch as many have taken in hand to set forth in order a declaration of those things which are most surely believed among us,

Luke 1:2 Even as they delivered them unto us, which from the beginning were eyewitnesses, and ministers of the word;

Luke 1:3 It seemed good to me also, having had perfect understanding of all things from the very first, to write unto thee in order, most excellent Theophilus,

From Genesis to Revelation this is a book of eye witnesses, and testimonies..

If an eye witness came forward to a catastrophic event.. would not the authorities stop and listen. There is only one reason they would not listen. The only reason they would not listen is because they do not want to get to hear the truth of what happened and want to fabricate their own account of the story to further their agenda.

This is what Darwin did in the name of of science so called!!

Darwin wanted to prove that God did not create the world as the Bible says, so he had to conjure up an answer that explained away the truth through his fanciful ideas and imaginations... so through his vain babblings, and renaming his fanciful conjectures science he lured a bunch of others into rejecting the eye witnesses of those who knew and understood the truth. He fabricated an answer and called it science and everyone says, I like that.. that makes sense..

So what better way to get people to reject the word of God but to make them think this book is nothing but a fairy tale. After all the experts, have a better idea of what happened.. then the eye witness!

Just like evidence of a global flood is all around us.. yet people are willingly ignorant of this event..

Just like the children of Israel who said to Aaron up makes us gods.. as for this man Moses we don't know what happened to him..

Just like the Pharisees rejected the eye witness of the guards who saw and experienced the resurrection ..

So wicked men who reject their creator will cherry pick who and what they want to believe ...

And they legitimize their opposition to the truth by calling it science.

So to confuse the issue they add millions and millions of years to the narrative.. To give mankind another answer to why they are here..

III. Those who oppose the Bible based on Science are calling their religion science.. IT IS SO CALLED SCIENCE

I Timothy 6:20 O Timothy, keep that which is committed to thy trust, avoiding profane [and] vain babblings, and oppositions of science falsely so called:

When people have an ulterior motive and agenda..
When people want to reject the truth..

They will fabricate a story and tell it as if it is truth and hope people are stupid enough to believe them.

So instead of calling their fabrications stories and science fiction, they call it science and then they call into question the true eye witnesses account and call that account fiction.

So it is the beat goes on.. the great lie continues. They enemy tells his story as if it is science and truth, and then calls into question the true eye witness account.

So a man walks into the police station and says, I saw the whole thing.. I can tell you what happened. Then all the authorities, say. No, your eye witness account does not agree with us, so we like our answer better. We reject your eye witness..

Jesus came to this earth to be a witness .. He said,

John 3:10 Jesus answered and said unto him, Art thou a master of Israel, and knowest not these things?

John 3:11 Verily, verily, I say unto thee, We speak that we do know, and testify that we have seen; and ye receive not our witness.

John 3:12 If I have told you earthly things, and ye believe not, how shall ye believe, if I tell you [of] heavenly things?

John 3:13 And no man hath ascended up to heaven, but he that came down from heaven, [even] the Son of man which is in heaven.

John 3:14 And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up:

John 3:15 That whosoever believeth in him should not perish, but have eternal life.

John 3:16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

John 3:17 For God sent not his Son into the world to condemn the world; but that the world through him might be saved.

God our creator came to earth became a man.. to be a witness to who we are, why we are here and what the future could hold for us, but the ones who were the authorities, the religious leaders and rulers of this world did not like his narrative and witness. They thought they had a better solution.

SO WE HAVE THE OPPOSITIONS OF SCIENCE SO CALLED..

They call their ideas science.. they reject the eye witnesses, and say we can't believe their witness.. We have to believe the science.

Yet it is impossible to use science to answer these things.. What we need is an eye witness. So in the name of science they reject the eye witnesses.. and they believe their vain imaginations..

AFTER ALL WE NEED TO BELIEVE THE SCIENCE..

So we say.. believe the science.. we have the most secure borders in our countries history.. Believe the science..

So believe the science the vaccines are working.. don't worry if you were vaccinated and still get COVID that is the fault of those who did not get vaccinated.. BELIEVE THE SCIENCE..

So believe the science the world is getting warmer because of burning fossil fuels.. Although we know the world has been getting warmer since the days of the ice age.. before there were ever cars and coal power plants.. that does not matter.. Believe the science today it is happening because of fossil fuels. We can prove that.. Believe the science every time there is a hurricane, it is because we are burning too much fossil fuel Look there are some things that science cannot answer. These things are too big ..

These same people that say believe the science cannot define what a woman is..

These same people that say believe the science cannot define what life is..

These same people that say believe the science call this Bible a fairy tale and their fairy tales science..

THESE ARE OPPOSITIONS OF SCIENCE FALSLEY SO CALLED..

Just call it science and it is OK.. Just call it science and that legitimizes it..

I remember in the 80's when there were obscenity laws. The early porn stores used to advertise the stores as having adult literature for scientific purposes.

This made their store legitimate humanism being pushed on us in the name of science and everyone accepts it.

Whenever you hear this statement MILLIONS AND MILLIONS OF YEARS AGO.. that is not a scientific fact, it is based on the religion of evolution not science..

Whenever you hear these outrageous dating. millions or billions of years.. We should ask who witnessed this? Who was there to date this? NO ONE. yet we believe it in the name of science when it is religion . The religion of atheistic humanism.

IV. CONCLUSION OF THE WHOLE MATTER.. We are in a battle of faiths.. which will you believe?

The enlightened ones of science are not scientific but antagonistic.

Just like the porn industry legitimized in the name of science what never would have been accepted otherwise so too.. Our humanistic, educational system and political leaders are doing the same thing. We add the word science and even when they try to

get us to believe something that the Bible rejects and teaches against people even Christians are bowing their knee to the world.

Science cannot answer where we came from.. we need a witness..

Science cannot answer why we are here.. we need examples of people's lives and the benefits they received from receiving by faith the witness of God's word..

Science cannot answer what happens to us after death.. We need someone who has died and come back. Jesus is the only one that has done that and we need to believe his witness..

The religion of Humanism, says believe their fabrication about the origins of man.. They legitimize their story by calling it science and calling the Biblical account a fairy tale.. DON'T BUY INTO THIS.. Do you believe the Bible?

The religion of Humanism tries to, but cannot answer why you are here.. and this is why our world is experiencing record high suicides and drug addiction and violence and chaos.. The historical record shows what happened when men reject God.. THE FLOOD, THE TOWER OF BABEL, SODOM AND GOMORRAH.. etc..

The religion of Humanism, has their own ideas about man's future, all in the name of science they seek to reduce population, murder innocent babies, turn mother nature into god, take man's dominion over the earth into subjection to nature and earth which is nothing more than primitive paganism... This is what destroyed so many nations in the past.

They worshipped the creature rather than the creator and received damnation.

Romans 1:21 Because that, when they knew God, they glorified [him] not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.

Romans 1:22 Professing themselves to be wise, they became fools,

Romans 1:23 And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things.

Romans 1:24 Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves:

Romans 1:25 Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen.

Romans 1:26 For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature:

Romans 1:27 And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet.

Romans 1:28 And even as they did not like to retain God in [their] knowledge, God gave them over to a reprobate mind, to do those things which are not convenient;

Romans 1:29 Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers,

Romans 1:30 Backbiters, haters of God, spiteful, proud, boasters, inventors of evil things, disobedient to parents,

Romans 1:31 Without understanding, covenantbreakers, without natural affection, implacable, unmerciful:

Romans 1:32 Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.

This is what is happening all the name of science..

If I hear this statement one more time.. "BELIEVE THE SCIENCE.." I think I am going to puke!!!!

There are some things that science cannot answer.. we need a witness..

I. There are some things that Science Cannot Answer...

***II. The Bible is not a book of Science it is a Historical Record...
IT IS OUR WITNESS.. TO BELIEVE..***

III. Those who oppose the Bible based on Science are calling their religion science.. IT IS SO CALLED SCIENCE

***IV. CONCLUSION OF THE WHOLE MATTER..
We are in a battle of faiths.. which will you believe?***

I believe it might have been a slip of the tongue when Biden said

"we choose science over fiction We choose truth over facts.."

But it may have really been a rebuke to our nation because the facts and the truth oppose the radical agenda of our leaders who keep crying out .. Believe the science.. believe the science.. in areas that cannot be answered adequately by science alone.

What we need to do is believe God..

Science does not need to be believed it should be as clear as the nose on your face that it works.

When Edison used science to invent the light bulb.. no one had to believe it was beneficial.. all they had to do was see it and everyone wanted it..

All I know is in the name of science our leaders are destroying our schools..
Destroying our economy..
Destroying our nation..

Yet we are being told believe the science..

It is as ironic as our leaders saying they have the borders of our nation secure and they are closed when we see millions of people from around the world crossing into America..

Now these same people call this Bible that we preach fiction.. while they call their redirect truth and science.

Now none of this could be happening if people actually trusted the historical record of the Bible.

We need to proclaim this book as a testimony and a record of witnesses to what God has done in this world and in the lives of so many people.

This book is a record of creation with the witness of God himself.

This book records man's past present and future..

This book records what happens to people who reject God..

This book records what happens to people who serve God..

I Timothy 6:20 O Timothy, keep that which is committed to thy trust, avoiding profane [and] vain babblings, and oppositions of science falsely so called:
